Jaime:

See below for the 4 properties located within the Superfund which are also on the current Hardest Hit Fund list.

Lets discuss.

Hi Carla,

See attached - specifically page 4 outlining properties due to be demolished under the Blight Elimination Program (BEP). Per our discussion at yesterday's Board of Public Safety meeting, the following addresses are related to the Hardest Hit Fund - BEP which are required to be demolished by November 2017:

4845 Alexander

5023 Melville

4735 Melville

4819 McCook

As there is a strict deadline set by IHCD, we need to discuss how to proceed on the demolition and/or contact Rayanna Binder as to this matter. Please let us know when you are available today to further discuss this matter. Thank you!
